**Protection of Health and Livelihood of Migrant Workers Staying and Working Abroad  
or Having Returned to Hometowns During Covid-19 Prevention**

To protect the health, safety and livelihood of migrant workers who are working abroad during Covid-19 pandemic, the Ministry of Labour and Vocational Training would like to give an instruction to Cambodian migrant workers who are staying and working abroad or have returned to their hometowns as follows:

**A. Cambodian migrant workers who are staying and working abroad:**

1. Must comply with the laws, regulations and health measures imposed by the authorities of the country you are working in.
2. Must comply with the instructions or notifications of the embassy or consulate of the Kingdom of Cambodia in the country you are working in.
3. Must perform work as per the instructions of the authorities and employer.
4. Must contact the embassy or consulate of the Kingdom of Cambodia immediately in the event that you have any problem.

**B. Migrant workers who have returned to Cambodia:**

1. Must comply with the instructions of the authorities of border and airport checkpoints for health examination measures and quarantine for 14 days when you arrive in your hometown in accordance with the procedures set by the Ministry of Health and Municipal and Provincial Working Group of the Ministry of Interior.
2. In the event that you have a problem with your daily livelihood during Covid-19 pandemic, you must contact your local authorities to get intervention services. In the event that you wish to find a new job, you have to contact the municipal/provincial department of labour and vocational training and job center in your province to get information about jobs.
3. Please help your family farm, grow plants and other agricultural works while you are waiting to find a new job or to return abroad.

Please all migrant workers who are staying and working abroad or have returned to your hometowns, participate in implementing this instruction in an effective manner from the date of signature.
