**Press Release**  
**on the Official Launch Ceremony of the Business Registration System**  
**on Information Technology Platform Phase II**

The Business Registration System on Information Technology Platform (OBR) Phase 2 will be officially launched on September 1, 2021 at 9:00am presiding over by His Excellency **Dr. AUN PORNMONIROTH, Deputy Prime Minister, Minister of Economy and Finance and Chairman of the Committee on Economic and Financial Policy**. The ceremony will be attended by representatives of participating ministries of the Phase 1 and Phase 2, business associations, civil society organizations, development partners, embassies and educational institutions.

The OBR Phase 2 is a sharp reform package of **Samdech Akka Moha Sena Padei Techo HUN SEN, Prime Minister of the Kingdom of Cambodia**, announced in the 18<sup>th</sup> government-private sector forum on March 29, 2019. The first phase, which was launched on June 15, 2020, covers the business registration at the Ministry of Commerce, tax registration at the General Department of Taxation, as well as the notification of enterprise opening at the Ministry of Labour and Vocational Training. This second phase expands its scopes to the online application of license or permit based on business activities, with specialized ministries in charge of sector-based technical supervision. There are four ministries/institutions participating in this second phase, including the Ministry of Industry, Science, Technology and Innovation, the Ministry of Tourism, the Ministry of Post and Telecommunications, the Real Estate Business & Pawnshop Regulator of the Non-Bank Financial Services Authority.

In this regard, you and all national and international press are invited to **watch live the virtual, official launch ceremony of the OBR Phase 2 on September 1, 2021 at 9:00am via the Ministry of Economy and Finance's Facebook page (<https://www.facebook.com/ministry.economy.finance>)**.
