PRESS RELEASE

"Cambodia declares humanitarian aid of USD 100,000 to Türkiye"

Phnom Penh, 08 February 2023 – Cambodia was shocked to learn the news of tragic loss of thousands of lives and tens of thousands injured as well as extensive damage caused by the 7.8 magnitude earthquake, hitting the south-eastern provinces of Türkiye on 06 February 2023.

The Royal Government of Cambodia has extended the deepest sympathy and sincerest condolences to the government and people of Türkiye, especially the bereaved families, and the best wishes of speedy recovery to the injured and affected areas.

In the spirit of close friendship, solidarity and hardship alleviation with the government of Türkiye, the Royal Government of Cambodia has decided to make a humble contribution of USD 100,000 (one hundred thousand US dollar) in humanitarian aid to assist in the ongoing relief efforts. ENDS
