PRESS RELEASE

Resolution on Listing Eligibility Review Application of two Companies

Cambodia Securities Exchange (CSX) is honored to notify the public that the CSX granted its approval in principle on equity securities listing eligibility review on Main Board to MENGLY J. QUACH EDUCATION PLC. and bond listing eligibility review (Green Bond) to GREEN SUSTAINABLE VENTURES (CAMBODIA) CO., LTD on March 07, 2023. In order to be officially listed and have its securities traded on the CSX, both companies shall get approval on public offering from the Securities and Exchange Regulator of Cambodia (SERC) and meet further listing requirements of the CSX.

Please be informed that MENGLY J. QUACH EDUCATION PLC. is the ten company that received principle approval on equity securities listing eligibility review of the CSX. This company was incorporated in 2012 which its main business is educational services. Currently, the company is obtaining 15 campuses including the operation in 2 provinces such as Siem Reap and Takeo provinces with over 20,000 students. The company provides the standard study curriculum with good quality including school for general education (AIS), school for foreign languages (Aii), a program providing consultation and document preparation for students to study abroad (SOGO), as well as an online platform for study (i-Learn). On the other hand, GREEN SUSTAINABLE VENTURES (CAMBODIA) CO., LTD is the ten bond listing company that received principle approval on listing eligibility review and second company issuing Green Bond. The company was established since 2009 with its main business in generating electricity using solar power with 20Mwac and located in Svay Rieng province.
