**Polling Station Nationwide Opened the Election of Members of the National
Assembly, 7th Legislature, 2023**

The polling stations nationwide opened simultaneously at 7:00 am on Sunday of 23 July 2023 for the Election of Members of the National Assembly, 7th Legislature, 2023.

The eligible citizens who have their names in official voter list in that commune/Sangkat bring a long with a valid Khmer National Identity Card (Khmer ID) or a new type of expired Khmer National Identity Card 2022 or 2023 or Identity Certificate (IC) to vote.

The polling shall be closed by 3:00 pm. However, the voters are who still in the polling station or queuing in the inner perimeter of the polling station shall be permitted to vote. The polling station chief may declare to close the polling before 3:00 pm if all voters who have name in the voter list in that polling station casted already their ballots.

Based on official voter list 2022 for the Election of Members of the National Assembly, 7th Legislature, 2023, there are **9,710,655** registered voters and **23,789** polling stations nationwide.

It's worth informing that the National Election Committee (NEC) will organize the dissemination meeting with the stakeholders on wrapping up the Election of Members of the National Assembly, 7th Legislature, 2023 at 6:00 pm and the preliminary election result will be announced subsequently. *2/2 4/1*
