**"Japan to offer grant aid in support of cadastral surveying and land registration"**

His Excellency SOK Chenda Sophea, Deputy Prime Minister and Minister of Foreign Affairs and International Cooperation of the Kingdom of Cambodia, and His Excellency UENO Atsushi, Ambassador of Japan to the Kingdom of Cambodia, will co-sign on 26 October 2023 an exchange of notes and accompanying documents on the extension of Japanese grant aid for JPY 1,338 million (USD 9.7 million) for the implementation of the project for the Establishment of a Nationwide Continuously Operating Reference Station Network.

The objective of the project is to accelerate cadastral surveying, strengthening administrative services related to land registration through the installation of a continuously operating reference station network, thereby contributing to the promotion of infrastructure projects.

This generous gesture demonstrates Japan's unwavering commitment to assisting the Cambodian government's ongoing endeavours in advancing economic and social development. This assistance contributes to enhancing across-the-board cooperation and strengthening the "Comprehensive Strategic Partnership" between the two nations, which are celebrating the 70th anniversary of diplomatic ties.
