ANNOUNCEMENT

On the Organization of the 4th National Ecotourism Forum 2025
From 24 to 25 November 2025 in Siem Reap Province

The Ministry of Tourism has the honor to inform the general public, tourism associations, tourism and ecotourism-based communities, tourism operators, private sector, national and international NGOs, development partners and all relevant stakeholders that the Ministry of Tourism, in collaboration with the National Committee for the Management and Development of Community-Based Tourism and Ecotourism, as well as relevant ministries and institutions, will organize the 4th National Ecotourism Forum from 24 to 25 November 2025 at Sokha Siem Reap Hotel, Siem Reap Province.

The National Ecotourism Forum is a major annual event for Cambodia's ecotourism and community-based tourism sector. The Forum will bring together key stakeholders from the public and private sectors, national and international NGOs, development partners, and especially community representatives from across the country. The Forum serves as a platform for all actors to exchange ideas, review achievements, discuss challenges, and propose practical solutions and strategies in a spirit of sharing, participation, and joint responsibility for the development of ecotourism and community-based tourism in Cambodia. In addition, the forum will also organize the community tourism and ecotourism exhibition.

In this regard, the Ministry of Tourism calls upon the public, tourism associations, community-based and ecotourism communities, tourism operators, private sector partners, national and international NGOs, development partners and all relevant stakeholders, who are interested or wish to share the results of the work and research findings, to participate in the above-mentioned event.

For detail information of participation, please contact technical team:
