of the Ministry of Foreign Affairs and International Cooperation
“Cambodia Reaffirms Adherence to One-China Policy.”**

1. In response to several media inquiries regarding Cambodia’s views on the recent tension between Japan and China over the issue of Taiwan, the Ministry of Foreign Affairs and International Cooperation of Cambodia wishes to emphasize that Cambodia strongly advocates for the efforts to maintain regional peace, stability and harmony, based on the principle of mutual respect and peaceful resolution of differences and disputes.
2. Cambodia resolutely adheres to the One-China Policy and recognizes that the Government of the People's Republic of China is the sole lawful government representing the whole of China, and that Taiwan is an inalienable part of China's territory. Cambodia considers the issue related to Taiwan an internal affair of the People’s Republic of China, supports China’s effort to achieve national reunification, while opposing any form of “Taiwan Independence”.
