On

The First Cambodia EdTech Summit

The Ministry of Education, Youth and Sport, in collaboration with KOICA, UNICEF, CDRI, and Cellcard, is organizing the First Cambodia EdTech Summit under the theme “Pathways to Cambodia’s Digital Education”. The event will take place on February 17-18, 2025, at the Institute of Technology of Cambodia (ITC). This summit aims to disseminate the Digital Education Strategy for Schools (DESS), seek inputs on the development of EdTech Framework, foster discussions and knowledge sharing, showcase best practices in EdTech, and strengthen collaboration between policymakers, development partners, EdTech providers and users, contributing to the advancement of digital education in Cambodia.

This summit will feature a diverse range of activities, including key strategic presentations by national and international experts, insightful panel discussions on critical topics like EdTech ecosystem and sustainable digital equity, interactive knowledge-sharing sessions exploring cutting-edge EdTech initiatives, EdTech exhibitions showcasing innovative technologies, Cambodia’s EdTech Teacher Competition recognizing exceptional educators, and digital competency challenges to enhance participants digital skills.

The First Cambodia EdTech Summit will bring together over 20,000 participants, including teachers, students, and representatives from government institutions, development partners, and educational institutions across Cambodia. The event will be live-streamed, with promotional content shared through official social media channels and partners, ensuring broad public reach.
