**Ambassador of Cambodia Meets Chairman of KOJIMA Holdings Group**

H.E. Mr. CHUM Sounry, Ambassador-Designate of the Kingdom of Cambodia to Japan, held a meeting with Mr. KOJIMA Masanobu, Chairman of KOJIMA Holdings Co., Ltd., on 22 January 2026 in Atsugi, Kanagawa. The meeting was conducted in a cordial and constructive atmosphere, reflecting the shared interest in further strengthening economic and business cooperation between Cambodia and Japan.

During the meeting, Ambassador-Designate Sounry expressed his high appreciation for KOJIMA Holdings Group's long-standing and steadily expanding engagement with Cambodia. He commended the Group's contributions since the establishment of KOJIMAGUMI Cambodia Co., Ltd. in 2013, including construction activities, cooperation with JICA and Japanese institutions on research projects, and the training and employment of Cambodian engineers. The Ambassador also welcomed the Group's role in facilitating human resource mobility as a Registered Support Organization for Specified Skilled Workers, as well as its initiatives to strengthen people-to-people ties.

Ambassador-Designate Sounry further highlighted the significance of the Cambodia Private Commercial Center (CPCC), established in 2022, as a valuable platform for human resource development, business exchange, and cultural interaction. He also welcomed the Group's recent and forthcoming initiatives, including cooperation with Cambodian ministries in areas such as housing development, vocational training, and cultural exchange. The Ambassador underscored that the monthly Business Seminars organized by KOJIMA Holdings Group play an important role in promoting Cambodian products, strengthening commercial linkages, and fostering networks between Cambodian and Japanese businesses.

The two sides exchanged views on broader cooperation under the Cambodia-Japan Comprehensive Strategic Partnership, including opportunities arising from Cambodia's

growing economy and the Japan–Cambodia Economic Co-Creation Package. At the conclusion of the meeting, Ambassador-Designate Sounry reaffirmed the Royal Embassy of Cambodia in Tokyo’s readiness to work closely with KOJIMA Holdings Group to support mutually beneficial cooperation, promote trade and investment, and further strengthen the partnership between Cambodia and Japan.
